Defendant.	)	

This matter is before the court on defendant's Motion to Continue Trial [26]. Counsel for Defendant has not had sufficient time to review discovery with the Defendant due to Defendant's medical condition. For good cause shown,

**IT IS ORDERED** that the Motion to Continue Trial [26] is granted, as follows:

1. The jury trial now set for November 30, 2021, is continued to **March 1, 2022**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and March 1, 2022**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).
3. **No further continuances will be granted without requesting a hearing before the undersigned magistrate judge.**

**DATED: October 14, 2021**

**BY THE COURT:**

**United States Magistrate Judge**
